

Admission of Candidates into Certificate in International Relations and Diplomacy

The Department of Public Management and International Relations of the GIMPA School of Public Service and Governance, invites prospective applicants for admission into its Certificate in International Relations and Diplomacy programme.

The rationale for the programme is based on the crucial need for highly skilled and trained experts to consolidate and improve the international relations and foreign policy in Africa, understanding of the multi-dimensional complexities of foreign policy, in order to successfully manage the challenges and utilize the opportunities provided.

This course will help you acquire an interdisciplinary understanding of the roles of sovereign nations, relationships among countries, and international organizations. Through this certificate programme, you will deepen your knowledge of today's global complexities and interconnectedness to help advance a career in government, an NGO, an international organization, a multinational corporation, trade union, or media.

PROGRAMME OBJECTIVES

By the end of the course, participants would have

- Ability to appreciate and understand pertinent issues and the key tenets in international relations and diplomacy
- Been equipped with basic skills, capacity and deep knowledge to participate and contribute to foreign policy analysis, international political economy, diplomacy and international relations
